DEVELOPMENT DEPARTMENT

In para 2 of G.O.Ms.No.2456, Development, dated 9-5-49, Government were pleased to state that separate orders will issue in the Revenue Department for the transfer to this Department 564.75 acres of Government land specified in the Annexure to the G.O. But, presumably based on para 2 of letter Roc.No.1884-II/47 d/18-1-49, of the Joint Director of Animal Husbandry to Government, the Board of Revenue was authorised by Government in Memorandum No.30439-A/49-3 Revenue, dated 7-6-49 to transfer only an extent of 485 acres of Government land to this Department. A copy of this memorandum is enclosed for reference.

2. To take over about 485 acres of Government land so as to have a compact block of 500 acres, including patta lands, portions of several sub divisions lying at the boundary will have to be cut off. It is not possible to say, except by actual measurement the exact extent to be taken in each sub division so as to have an area of about 500 acres of land for the farm. Such actual measurement will entail labour to the Revenue Department and is likely to take a long time which will delay the starting of the Farm. Besides in para 3 of my letter Roc.No.6617-IV/49 d/27-9-49, I have explained the necessity for the transfer of entire extent of 564.75 acres of Government land to this department. I, therefore, request that Government may be pleased to issue urgent orders in the matter.

Yours faithfully,

Sub: LIVESTOCK -- South Kanara District -- Opening of a Livestock Farm -- Transfer of Government Lands.

Ref: From the D.A.H. No.1884-II/47 dated 19th January 1950.

In connexion with the scheme for opening a livestock farm in Koila village in the Puttur Taluk of the South Kanara district, Govt. have sanctioned the acquisition of about 15 acres of private land. In addition to this extent, proposals for the transfer of 564.75 acres of Govt. land required for the farm were under consideration in the Revenue Department. The D.A.H. now reports that Govt. have instructed the Bd. of Rev. to transfer only 485 acres of Govt. land. For the reasons given in para 2 of his letter on p.5 c.f. the Director points out that it is necessary to transfer the entire extent of 564.75 acres to his Department and has requested that revised orders may be issued.

The Director's proposal may be supported in this Department and the file passed on to Revenue Department for nece action. They may be requested to issue very early orders the case, as Hon'ble Minister (Agriculture) has ordered th the scheme should be treated as "special" at every stage.

The proposal in this file is related to the transfer of the lands referred to in annexure to Govt no 2456 Dev of 5/49 to the Animal Husbandry dept for the purpose of constructing a live-stock farm.

2. With reference to 'A' on p. 11 ante, it is submitted that no action is necessary on the part of the Director of Animal Husbandry 'S' on p. 8 CF in view of what is stated by the Collr in para 4 of his letter at p. 11 CF.

3. The proposal now submitted by the Collr of South Kanara with reference to the memo at p. 7 CF and at pp 10-11 CF. The Collector has stated the total extent to be transferred to the Animal Husbandry dept as Ac 61.04c. deducting the extent of 3.71 acres which according to him have been surrendered twice as per annexure to this Govt no — please see 'A' on p. 1 ante and 'B' on p. 2 CF. In his letter at p. 10 CF, in S.no 243-1 under "Koila village" the extent has been shown as 7.91 acres whereas in the annexure to Govt no 2456 Dev of 9/5/49, the extent is Ac. 7.92. The Collector may be requested to reconcile the discrepancy. A draft memo submitted for approval. Dev may see in the

No need to waste time by issuing a reference to reconcile the discrepancy. The difference is trifle all concerned. We may sanction the transfer, expressing the presumption that the correct extent of S No 243-1 is 4·91 acres. Put up a draft herewith.
